## EDUCATION

Expected Graduation (2023-2026)  
**University Of Tirana**  
*Bachelor of Engineering in  
Mathematics and Computer Science*

## RELEVANT SKILLS

PL: Python ,Java ,JavaScript, C++

PostgreSQL, debugging ,software  
testing, Word, Excel

Soft skills:

Communication,  
Hard-work, Patience ,

## RESUME SUMMARY

---

I'm a student of Engineering in Mathematics and Computer Science with a passion for coding and problem-solving. I enjoy learning new technologies and building useful tools, especially when it comes to making things simple and functional. I've worked with languages like Python, Java, and C++, and have experience with databases and GUIs. Always curious and motivated to grow, I'm excited to take on real-world challenges and keep improving my skills

## PROJECTS AND EXPERIENCE

---

### To-Do-List

- Uses GUI and PostgreSQL and written in Python
- I used Pyside6 as the GUI library
- Can store ,delete ,edit ,add and check the Tasks in a check box
- It is a desktop app
- Here is the link:  
<https://github.com/MATHMAN7/To-do-list-GUI>

### Number Converter

- I used Java and GUI
- Can take an input that is a string of a number check if it is correct and then return the number in digits
- Link:  
<https://github.com/MATHMAN7/Numcon>

### Courses

*SDA Java from scratch*

- Software Testing

- Spring for backend
- Final Project
